TH--

...YOU.

THANK...

IT'S...
DONE.

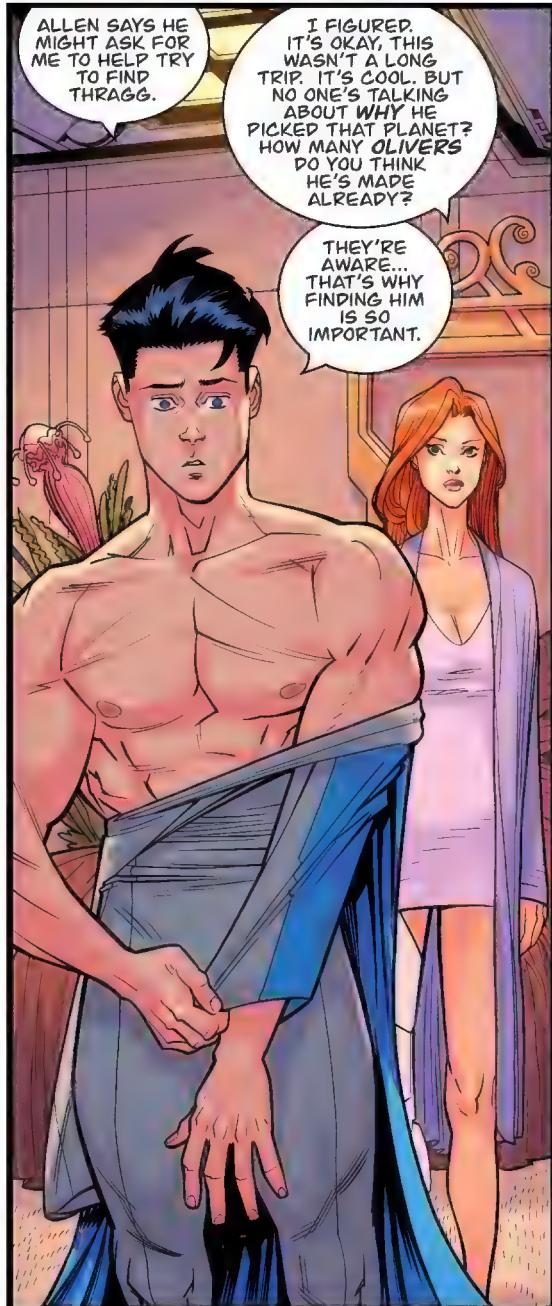

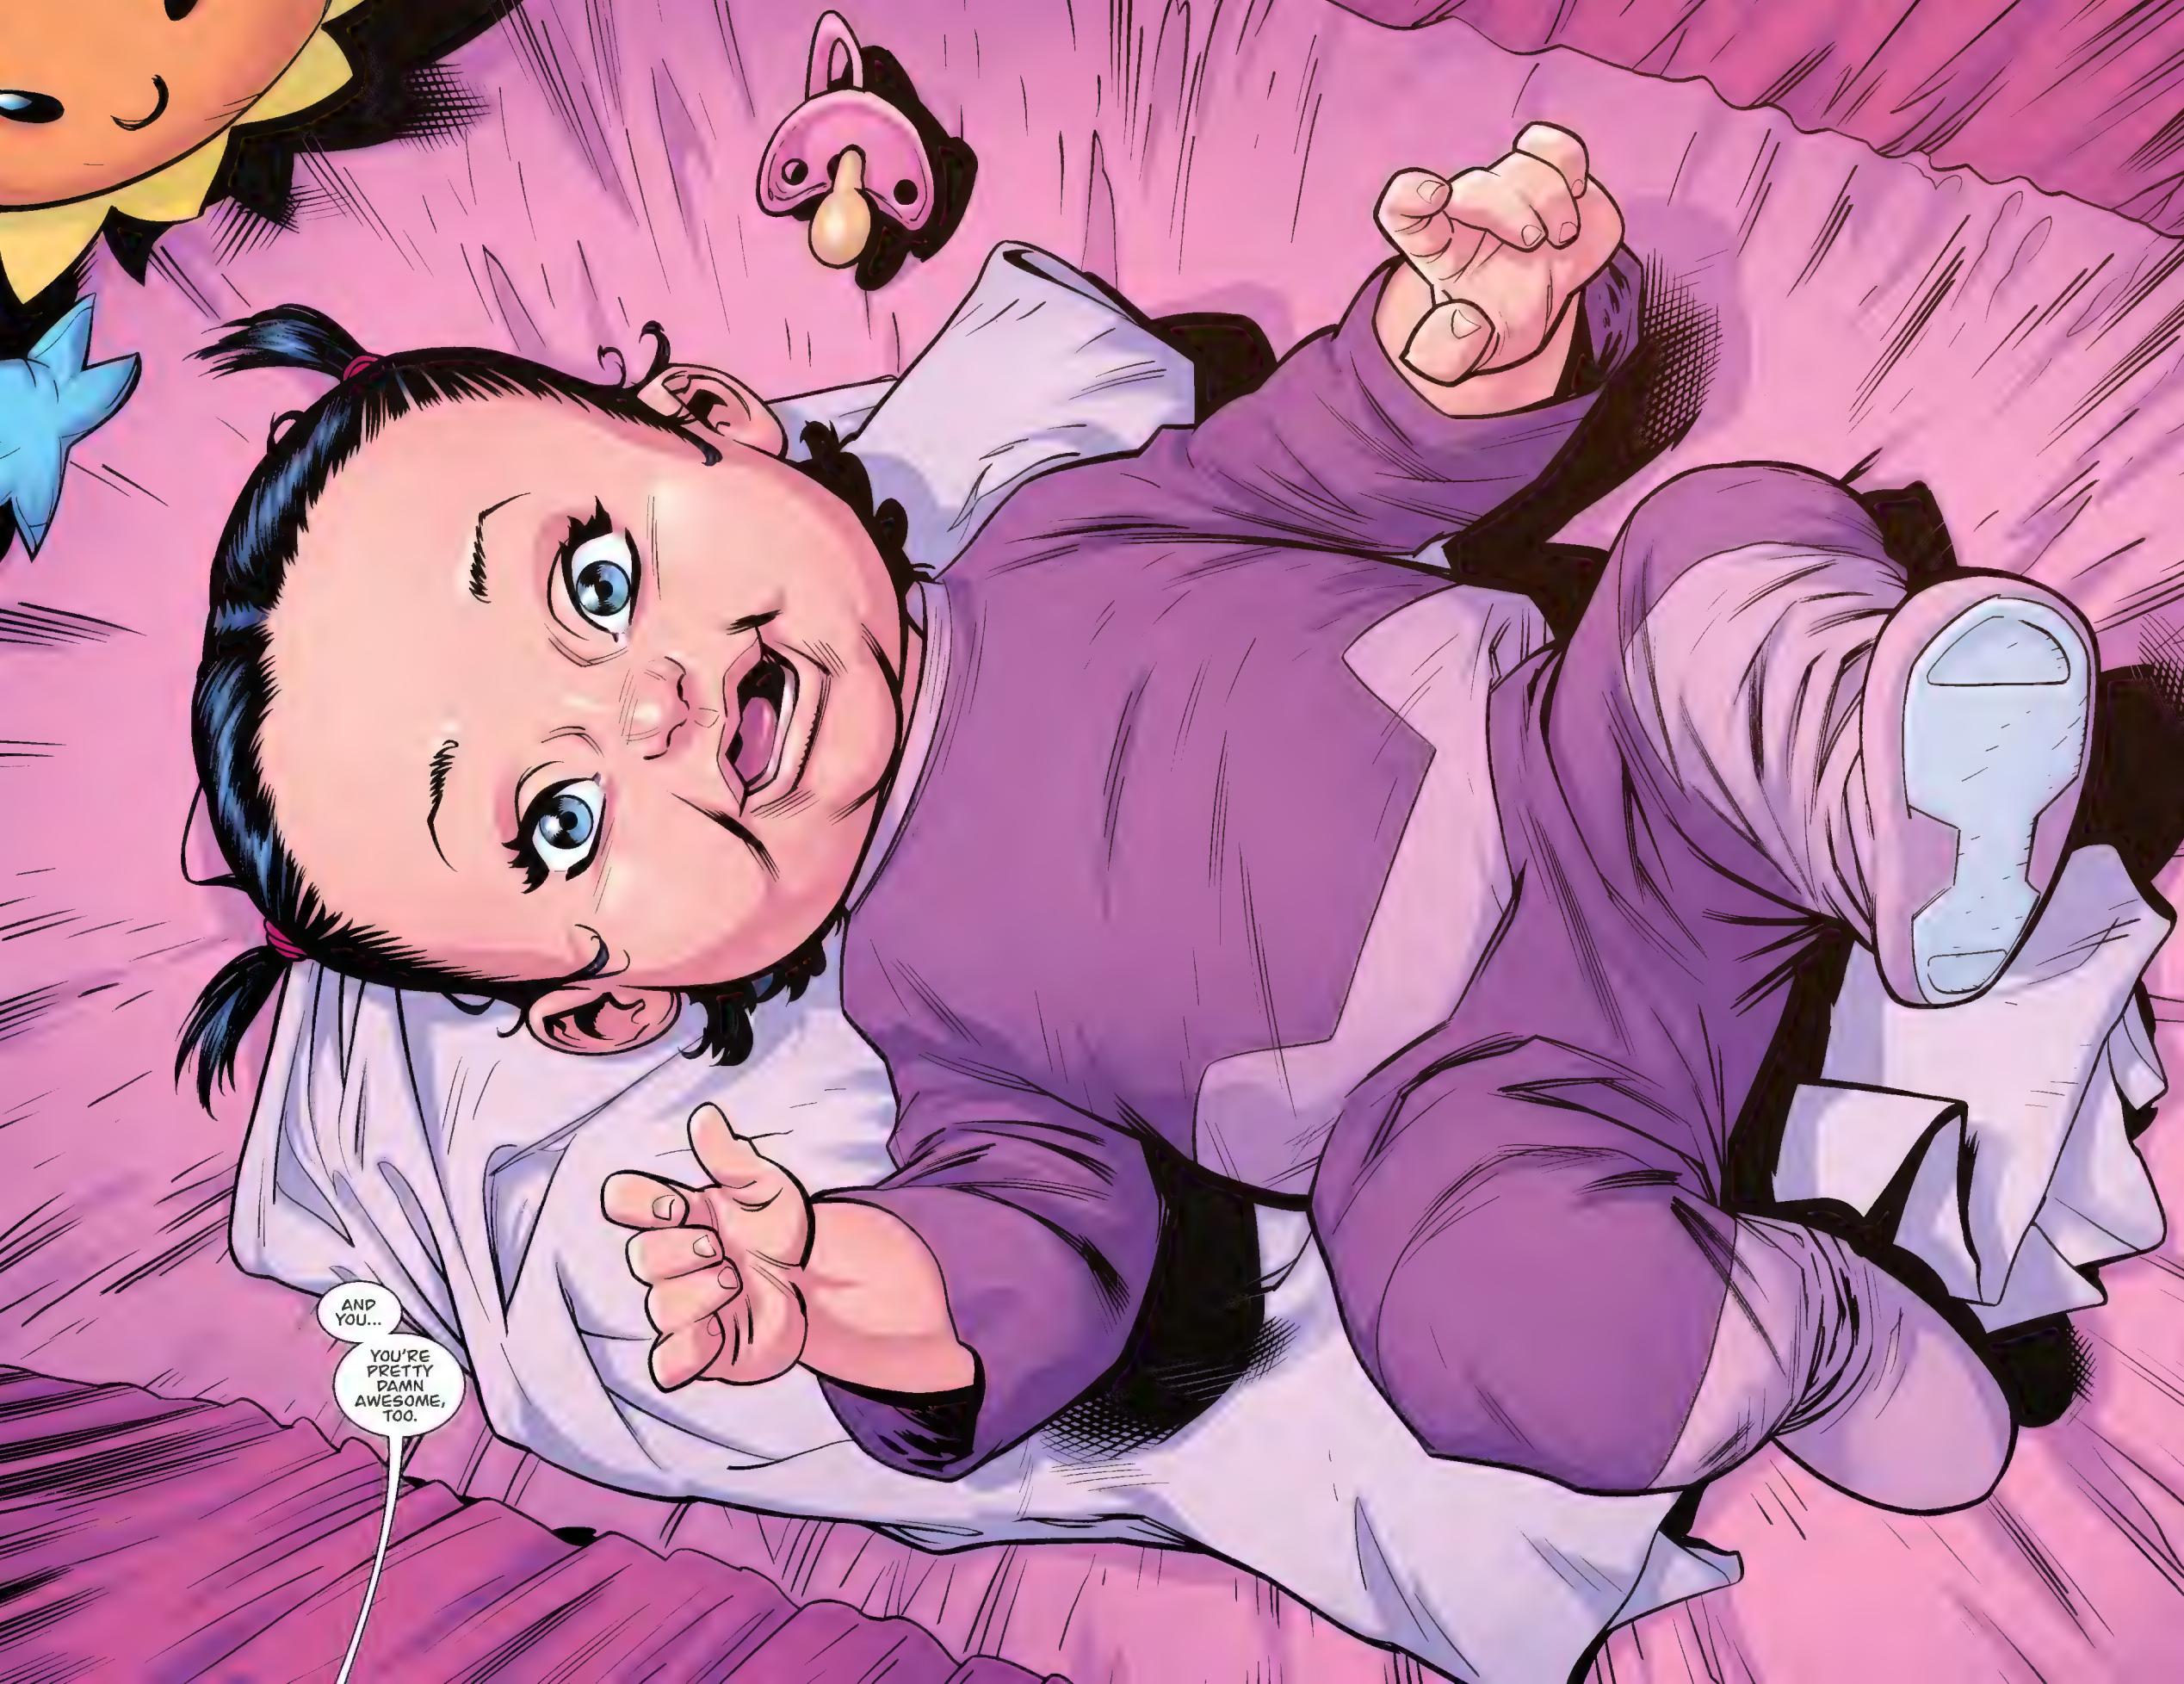

AND
YOU...

YOU'RE
PRETTY
DAMN
AWESOME,
TOO.

YOU KNOW... I WAS SO TERRIFIED WHEN I FOUND OUT YOUR MOTHER WAS PREGNANT.

COMPLETELY. TERRIFIED.

MY DAD TOLD ME TO GET USED TO IT. SAID I'D BE TERRIFIED EVERY DAY FROM NOW ON. AND BOY... WHEN WE HAD TO TAKE YOU TO THE HOSPITAL... HE WAS RIGHT.

YOU KNOW WHAT HE DIDN'T TELL ME?

HOW HAPPY YOU'RE SERIOUSLY THE BEST THING TO EVER HAPPEN TO ME.

I MEAN, LOOK AT YOU.

I KNOW IT'S ONLY BEEN A COUPLE MONTHS, BUT I ALREADY HAVE TROUBLE REMEMBERING WHAT LIFE WAS LIKE BEFORE YOU CAME ALONG.

EVERYTHING IS SO... DIFFERENT NOW.

WHUMP.

OKAY... NOT QUITE THE EXPERT "SITTER" JUST YET.

I DON'T JUDGE.

THERE. MUCH BETTER.

I'M GOING TO MAKE A PROMISE TO YOU RIGHT NOW, TERRA.

AND I'M GOING TO KEEP IT. I SWEAR I WILL.

I WILL ALWAYS BE HERE FOR YOU.

I'M NOT GOING TO GET KILLED. I'M NOT GOING TO GET LOST IN ANOTHER DIMENSION. I'M NOT GOING TO DISAPPEAR.

I'M GOING TO BE CAREFUL... OH, SO CAREFUL. FOR YOU... AND YOUR MOMMY... BUT MOSTLY YOU, IF I'M HONEST.

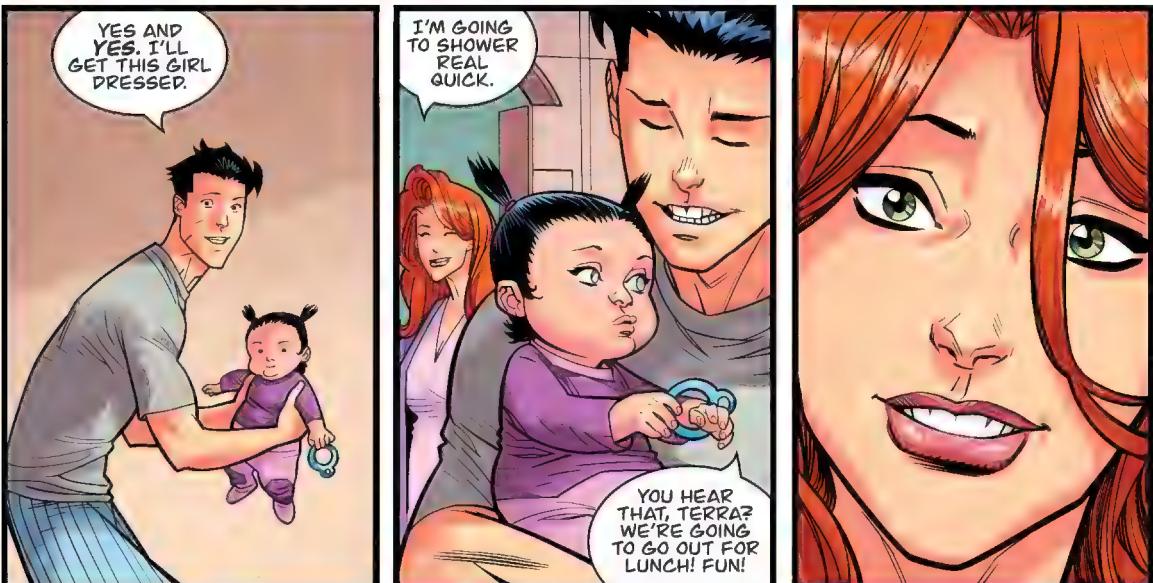

IF YOU EVER NEED TO TALK TO SOMEONE, WHEN YOU'RE ABLE TO TALK... I'LL BE THERE.

AND WHEN YOU'RE OLDER, IF YOU COME HOME DRUNK OR WRECK OUR SPACESHIP... OR FLYING CAR OR WHATEVER... I'LL SCOLD THE HELL OUT OF YOU, THAT'S MY JOB.

DON'T EVER THROW UP ON MY BACK AGAIN. THAT WAS HORRIBLE.

AND ALL I ASK IN RETURN...

BUT DEEP DOWN... I'LL JUST BE HAPPY YOU'RE OKAY.

MY
HEALTH
IS...
...IMPROVING.

INVINCIBLE

Moment of goddamn silence for Battle Beast...

You will never be forgotten. Mostly because Thragg is now wearing your hide as a cape and won't let us.

Robert

I'm writing this after having just finished issue 118 and WOW, there is a lot I could say about it but I don't want to waste too much time so I'll just say that that was by far the best issue I've ever read! Stu and I almost fainted when we finally saw Oliver again [thought he'd be older and have a beard], we're loving this new direction for mark and eve and we really can not wait to see where you take us next. We wanted to know if you and the Invincible team will be at San Diego Comic Con this year because we have both been dying to meet you and the whole Invincible team, and we've been saving one question to ask you guys in person. So that's all we had to say and we want to thank you for another awesome issue. Rock on and keep doing what you are doing.

Liam and Stu aka Invincible and Tech Jacket's 2 biggest fans

Hell yes we'll be at San Diego. Well, Robert and the rest of the Skybound team will, and a handful of creators who aren't Ryan Ottley. Every year the San Diego circus grows bigger and bigger, so check out our website/Facebook/Twitter for updates on panels, signings and exclusive merch. It will be both incredibly fun and terrifying. Can't wait!

We've even got some cool Invincible merchandise we'll be debuting there. So make sure you stop by the Image/Skybound booth!

Hello Kirkman-man, this is my first time writing and, first and foremost, I wanna say how much I love this comic. I started it not long ago (really not long ago) and I've already read everything and I love it.

To the question mobile:

1. How do you keep an ongoing comic this much filled with life? with all the twists and new problems and such... is it something you think other people can do (or learn) or is it a gift?

Well, I think it's just a matter of staying excited and when you realize you're not... changing things to make it more exciting. To me it seems pretty simple... but I'd also admit that there have been a few periods in this series where I've failed to keep things full of life.

2. Is that the last of Angstrom Levy? Because through him you made me see the flawed nature of human beings (how he remembers something simply because it fits the scenario he wants) and how it isn't always something constant (after all we did see a little bit of change)

Angstrom is dead. I'm very proud of the fact that this book doesn't run its villains into the ground. He did his thing, he served his purpose... and there will be other villains in the future that are as cool if not cooler. This isn't a book where the hero fights the same villain over and over again with only slight variations on the formula.

3. Does Nolan still not consider himself a human, or part of humanity at least?

Well, he isn't a human.

4. I sense that Eve cries a lot, a flaw or is that how you meant her personality to be? (I might even be wrong in assuming she cries a lot).

I wouldn't say she cries a lot.

5. How big is the coalition of planets, and how many life-forms does it encompass? (not species, but not number of creatures)

A lot... lots of planets... lots of individual civilizations. Definitely more than we've seen thus far.

6. I was waiting for you to come back to that rape thing (which I believe is a very bold decision), I hope we haven't finished with it after two pages?

Definitely not.

Thanks for reading and great work everyone, sad to see John off, but the new colors are something to behold.

Mohammad Amer

Thanks for writing!

See you next issue. By that teeny tiny cover image below, looks like Robot and the Immortal will man dance. Can't wait!

-Sean Mackiewicz

I'm pretty sure Immortal dies... it's going to be crazy!

-Robert Kirkman

NEXT ISSUE

While Mark and Eve have been gone... things have gotten worse on Earth.

RATED T+ / TEEN PLUS

A New Series from
Jason Shawn Alexander
(*Abe Sapien: The Drowning* and *The Escapists*)

She wasn't
supposed to
survive

They were
supposed to
stay dead
