THROKKO

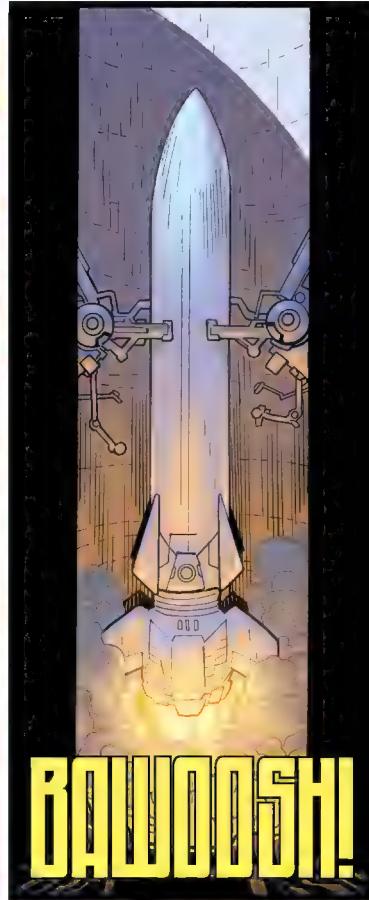

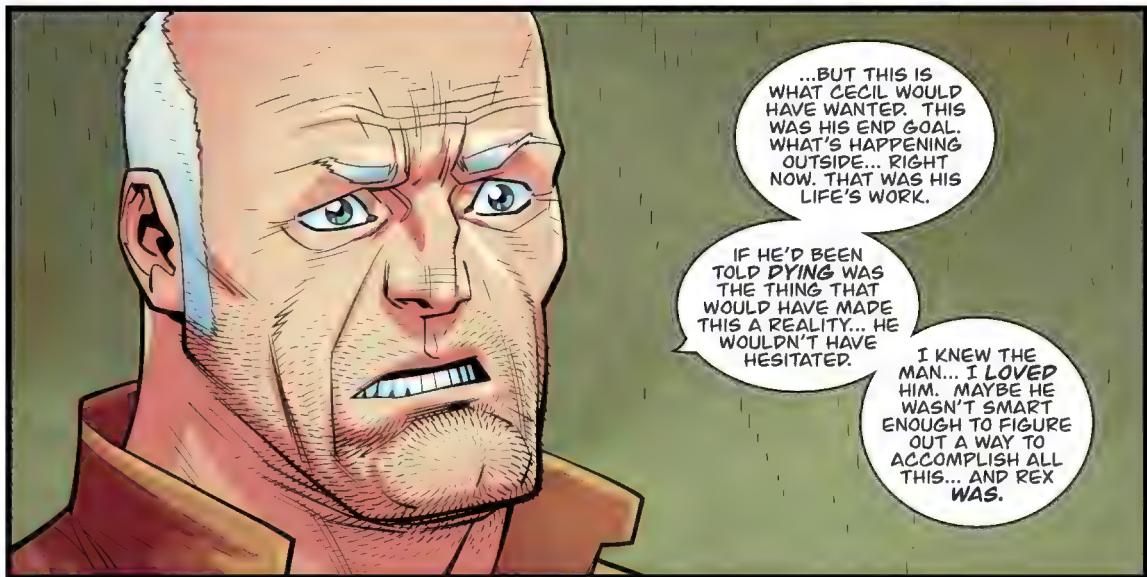

THOSE OF
YOU WHO STILL
STAND AGAINST ME...
FINE... OKAY. YOU
SEE WHAT I'VE
DONE... HOW I'VE
MADE THE WORLD
A BETTER
PLACE.

GIVE IT
TIME TO SINK
IN... I'LL ALLOW
YOU TO TAKE THAT
TIME WITHOUT FEAR
OF ME HUNTING YOU
DOWN OR ATTACKING
YOU. UNLESS YOU
COME AFTER
ME... YOU'RE
OKAY.

I KNOW
YOU'LL SEE
MY SIDE OF
THINGS IN
THE END.

INVINCIBLE

WRITE US AT INVINCIBLE@SKYBOUND.COM

As much as Robot is in the "right". I'd probably be too stubborn to actually side with that metal-faced goon. I hope these folks can work it all out peaceably. There's still a chance for that, right?

It ain't likely! Thanks for sticking with us all the way to issue 121 folks! If you've been here since the beginning, give yourselves an extra hearty pat on the back. You've been reading the book longer than Ryan has! Wokka wokka. Anyway, I hope you enjoyed this check-in on Earth. We'll be heading back out to space next issue, and some very cool stuff is coming up very soon that will be announced at Image Expo... and will maybe be public by the time you read this. So hop online or something for the cool news. I recommend www.skybound.com or www.imagecomics.com for the fastest access to the best news.

Let's answer some letters.

Hi guys. This is the first time I'm writing a letter or an e-mail to a comic book. I live in Germany and have been reading comic books for 30 years. Why am I writing now, you ask? Well, the book is amazing for starters but a funny thing just happened. I was reading issue 119 and arrived on the Battle Beast/Thragg battle, when the thought occurred to me, that I knew how Robert would resolve this clash of the titans. Robert would make Battle Beast lose and pledge his allegiance to Thragg and this would have been the slow start to Thragg collecting fighters across space to make everything miserable for Mark all over again. I was so proud to have it all figured out and decided there and then to write to you guys to and collect a trophy or a prize or a comic book =) A few minutes later and Allen walks in and begs Mark to help in Battle Beast's fight against Thragg. And there I was again, wondering what Kirkman might do next. This guy really knows how to keep you on the edge of your seat. Hat's off.

Alex

You sound like the type of reader that likes Battle Beast, and we're thinking of ways to keep that furry SOB alive. I salute you for that, but Thragg's got the only thing he needs to make allies: his penis.

Oof. Okay, Sean... I guess that's technically true, but when you put it like that... yeesh.

Hey guys,

My wife and I relocated recently and when I finally found a new comic book shop, the folks there gave me free issues of a few titles they thought I should check out as a welcome gift. One of those was the \$0.25 issue of Invincible.

That sounds like a really cool comic shop. You should have plugged them!

I'd seen people talk about this book here and there but it wasn't really on my radar. Thought it was just standard superhero stuff, figured I was getting my fill from my DC and Marvel pulls, moved on. I read #118 though and I'm completely hooked. This book touches on so many serious issues and handles them all in such a wonderful marvelous way that makes every character resonate with me in a way that no book has ever done. I'm a semi-newlywed and hopeful father-to-be, and I never realized how much I needed a superhero in my life who is a devoted husband and dad. You've secured me as a reader.

Thanks guys. I look forward to every issue :)

Duncan

Hey! That 25-cent issue worked out! Great to have you, Duncan. As a comic fan myself, I was reading Spider-Man at a time when he was a young newlywed and I was a single 13-year-old kid. I never bought into this nonsense that for him to be cool and relatable to a younger audience he has to be single and young, possibly in high school. I read those stories and thought, "Man, I hope I have a good marriage like this guy when I'm older." I hadn't really considered until I read your letter that INVINCIBLE might be the only superhero comic about a devoted husband and father. I'm trying to think... there are certainly superhero fathers and superhero husbands... but they're usually not so great at it. Oh... and I just remembered at this point that Mark and Eve aren't technically married. Heh. Maybe they'll get around to that eventually.

Next issue, Mark, Eve and Terra experience thorg season. Is that a bad thing or a horrible thing? You'll find out soon!

-Sean Mackiewicz

Well, if that teaser doesn't get you back here for next issue, nothing will!

-Robert Kirkman

NEXT ISSUE

Mark and Eve try to enjoy a little down time as a chain of events is set into motion that will change the way you look at Mark Grayson forever.

"Readers looking for something with the feel of classic films like *The Insider* or *All the President's Men* with the look of Ronald D. Moore's *Battlestar Galactica* should check out *Invisible Republic*."

— Comic Book Resources

"Whereas most future sci-fi tales begin with the world, *Invisible Republic* builds from its characters... Quickly engaging, the book's plot is piloted by very human drama."
