THAT'S LITERALLY ALL I'M THINKING ABOUT HERE! GETTING THIS TAKEN CARE OF BEFORE IT CAN DISRUPT... EVEN DESTROY OUR FAMILY.

LOOK, WE'VE HAD THIS ARGUMENT NOW, OVER AND OVER... SO MANY TIMES. I THINK THE PROBLEM HERE IS THAT WHEN YOU WERE RUNNING AROUND IN COSTUME--YOU NEVER DEALT WITH ANYTHING ON THE SAME SCALE AS I DO... EVERY SINGLE DAY.

WHAT?!

YOU DIDN'T FIGHT WARS ON ALIEN PLANETS. YOU NEVER DEALT WITH MANIACS FROM OTHER DIMENSIONS. YOU DIDN'T FACE A LOT OF WORLD-THREATENING FOES.

I CAN SEE HOW SOMETHING LIKE THIS COULD SCARE YOU.

OH, BULLSHIT, MARK. I NEVER FOUGHT THE SEQUIDS?!

DID YOU FORGET CONQUEST? I'VE BEEN AROUND, OKAY? THIS ISN'T A CASE OF ME BEING NAIVE.

IT'S A CASE OF YOU BEING OBSESSED... AND BECOMING BLINDED BY THAT.

YES! I'M OBSESSED WITH KEEPING YOU SAFE! OBSESSED WITH STOPPING PEOPLE WHO WANT TO KILL YOU--OUR BABY--OUR FAMILIES!

YOU'RE SO GODDAMN SCARED OF ME SCREWING UP AND GETTING STRANDED THAT YOU'RE WILLING TO LEAVE A SWORD HANGING OVER OUR HEADS FOR THE REST OF OUR LIVES?!

ARE YOU CRAZY? BACK THE HELL UP AND THINK ABOUT THE DANGER THAT IS OUT THERE... AND HOW CLOSE I AM TO BEING ABLE TO STOP IT.

WHAT THE HELL HAS GOTTEN INTO YOU?! IS THIS HORMONES?!

I PROMISE YOU THIS-- YOU'LL THANK ME FOR DOING THIS WHEN I'M DONE! YOU'LL SEE!

ACCOMPANY
ME BACK TO
THE CITADEL OR
I WILL KILL
YOU BOTH.

PLEASE

RELAX. I'M STILL GRATEFUL
TO YOU FOR PROVIDING MY
ESCAPE FROM THAT HELL
ANGSTROM TRAPPED
ME IN.

YOU'RE
IN NO
DANGER
FROM
ME.

YOU
KNOW HOW
DANGEROUS
ANGSTROM IS.
I CAN'T JUST
LEAVE HIM
IN PLAY.

I HAVE
TO KNOW
WHAT YOU'VE
DONE WITH
HIM.

I CAN
UNDERSTAND
THAT. I
SYMPATHIZE,
OF COURSE.

ALTHOUGH I
TOLD YOU I HAD IT
TAKEN CARE OF, YOU
COULD HAVE JUST
TRUSTED ME. RECALLING
MY INTERACTION WITH
ALTERNATE VERSIONS OF
MYSELF... I GET WHY
YOU WOULDN'T.

WE REALLY
ARE QUITE A
TERRIBLE
BUNCH, AREN'T
WE?

I'M REALLY
SORRY, BUT I
SEE NOW THAT
I HAVE TO
DO THIS.

WE HAVE A LONG HISTORY TOGETHER. I KNOW THIS IS PROBABLY REALLY CONFUSING TO YOU RIGHT NOW.

LET'S JUST LEAVE IT AT, I LEARNED A LOT ABOUT LIFE IN THE FLAXAN DIMENSION... AND ABOUT MYSELF.

MONSTER GIRL AND I WERE THERE A LOT LONGER THAN WE LET ON... I WAS CONCERNED PEOPLE MIGHT GROW SUSPICIOUS IF THEY KNEW THE TRUTH.

SIMPLY PUT, I HAVE BIG PLANS, AND YOU SIMPLY DON'T FIT INTO THEM.

I WAS WORRIED I'D HAVE TO KILL YOU... BUT I DON'T WANT TO HAVE TO DO THAT. LEAVING YOU HERE SEEMS LIKE SUCH A BETTER OPTION.

BECAUSE YOU'LL NEVER ALLOW ME TO DO WHAT I HAVE TO DO.

IT'S FUNNY, THOUGH... AS AGAINST WHAT YOU WERE DOING WITH DINOSAURS I WAS... IT WAS MOSTLY BECAUSE IT CONFLICTED WITH MY PLANS.

IT REALLY WAS THE MOST FORWARD-THINKING YOU'D EVER BEEN. IT IMPRESSED ME. MADE ME THINK YOU MIGHT EVEN BE A GOOD ALLY.

BUT SEEING YOUR POTENTIAL HERE, NO.

ONLY ONE OF US CAN RULE.

HOLY
FUCK.

INVINCIBLES

It's safe to say that this is the issue that changes it all. We've been building to this since Robot returned, and how things unfold in the next couple months will be VERY interesting...

Very cool stuff coming up! That's for sure!

First off, lemme say that you guys have come a long way. I also know that you're just getting started! Anyways back to the subject at hand. I am very happy to see Battle Beast back in action, and who better to send after Thragg than him...by now, you've probably imagined the responses I've made when seeing the previews on comixology. Anyways, my letter's gonna be short because I know you've got others to read.

In short, You guys rock! Battle Beast lives on! Bring in the blood, gore and dismemberments, and most of all...when Battle Beast does find Thragg....make it brutal!

Thanks for reading this!
Joey "Lobo" Corral

I'm just happy that folks love Battle Beast as much as I do.

Yes! They're back! I loved Battle Beast and Space Racer, so I was enthralled to see their return.

But, Allen seems amiss in asking this mission of Battle Beast. BB and Thragg have had a one-on-one fight before, and Thragg beat him in about...a second. Wouldn't it make more sense to send Space Racer? He could kill Thragg with one shot of his ridiculously overpowered gun.

Are you saying what I think you're saying? You don't believe in Battle Beast? Well, maybe I don't believe in YOU.

Speaking of which, I'd love to see an origin story for that ridiculously overpowered gun. How did it...come to be?

Love,
Jesus

NEVERMIND, Jesus. I got nothing but love and respect and belief in you.

The fans of this comic continue to be impressively diverse and unique. Anyway... Battle Beast's role in that plan will be explained and it might even involve that damn overpowered gun... which we'll eventually find out

more about eventually.

BATTLE BEAST CENSORED!!!! Yes, I am getting excited about Invincible all over again. Just when I thought this book was about to turn south, Kirkman and crew CENSORDD.(that's good) Better than The Walking Dead? Oh no I didn't!

I feel like Rex is up to no good. What is he up to in his secret rooms?

This is my first time writing in. Thank you Gypsyrose

Since this is your first time writing in, I'll ignore the fact that you dropped multiple F-bombs...and instead just praise your Robot Instincts. Though what Robot is really up to is only just beginning to unfold...

Didn't we use "fuck" on the last page of this issue? I wonder if we'll get any backlash for that. I mean... it seemed like a moment that justified breaking the rating... and the MPAA actually allows for 1 use of that word on PG-13 movies now. So I figured we could get by with it.

Dear Kirkman and Co.,

I was peanut buttering my bread when I had an epiphany: how does Angstrom Levy teleport the two Invincibles back from the alternate dimension in issue 104 if his teleportation power only teleports him to the exact same spot in the alternate universe that he inhabits in the present universe? The Invincibles had been chasing each other for some time, and it seems unlikely that they would be in the same spot Angstrom left them in. If you could clear that up for me, that'd be great.

Biggest fan and all that,

Jacob Bigus
Kansas City, MO

It would be a simple matter for Angstrom to do a few dimensional hops before bringing them back to ours that would place them in the location they needed to be in.

Hey Robert,

I began reading Invincible about 6 months ago and I was sad that I had not found this title earlier. I truly love this

entire run of books, and I am eager for more Invincible in different types of media. One of those other forms of media I was hoping for is an animated film or show. I would love to see full length feature in the illustration style of Ryan Ottley. Unfortunately, I purchased the absolutely awful motion comic that was done a ways back. I was so very very disappointed. It felt like an intern at MTV put it together over the weekend. Can you please tell me that you're trying to bring Invincible to the small screen at least?

Ernest

We're focused on making awesome comics first and foremost, but we're always exploring the possibilities for Invincible in other media.

I'm sorry you didn't like the motion comic. It certainly wasn't perfect, but it did lead to some additional readers of this comic, which is a good thing, I thought. It was certainly not done in lieu of an actually cartoon or movie. Just a cool side thing done to bring attention to the book.

Greetings Robert and Sean and Invincible crew,

**CENSORED BATTLE BEAST IS IN THE CENSORED HOUSE
CENSORED UP!**

Again... couldn't be MORE thrilled that all you fellow Battle Beasters (or whatever the hell we should call ourselves...) wrote in. But PLEASE. No cursing. T+, not M.

Thanks for finally bringing him back (seriously I wrote a letter a few months ago asking where he was). Can't wait to see Battle Beast versus Thragg. Seriously, I got excited. Ryan doing great work especially with the burnt Doc Seismic. Why doesn't he ever answer any letters? Also what was the deal with Amanda and Rex? Did I miss something? Is Eve going to start doing crossfit and lose weight when the baby is born? She's cute but skinny Eve was a hottie.

Keep it up!
Leo Nieves
Miami, Florida

It's a little known secret and I hate to out him here in the letters column, but Ryan Ottley can't READ. That's why he never answers letters.

Only Twitters.

Hi Gang,

First time writing and long time fan of this series. My name is Zhi (pronounce "Zee") and *insert copious amounts of praise* ...yaddy yaddy yadda You guys are awesome and love Ryans art too.

I just wanted to point out a small tidbit about Dr. Seismic's dialog at the end after he was tortured. nothing wrong content wise, but he says many words that are impossible to speak without lips, specifically "Mmmm" sounds (unless you have a stephen hawkins type machine set up). TRY IT, also any "Bbbb" sounds too.

Not criticizing as it would be hard for readers to understand him otherwise, but it could be a cool factoid for us readers

who know.

Sincerely,
Zhi Q Zhen

P.S. - would love to see more asian male characters that dont rely on kung fu and poor english. aka, Glenn is missed.

Dupli-Kate doesn't rely on kung-fu... she'll be around more eventually. And there will be more of course. I'm just going to ignore your lip comments. You are correct, though. I have no idea how Seismic said those things. Must have been magic.

THANK YOU!! You've brought back Battle Beast! With a treat too?! Hunting down Thragg! Dear God, you're my heroes too! Please make it bloody, please make it violent, but most of all, please...PLEASE make Thragg hurt! I like the guy, but Battle Beast has shown to be very ferocious around viltrumites* (Invincible 55) as you can see I'm an animal kind of person (furry) Robert should know (That's right, I remember that pic from Fangmail xD). Anyways, the arm wrestling idea was hilarious, plus Atom Eve's stare scared the crap out of me.

I'm rambling, but seriously, when you guys brought BB back, I lost it, I knew there was a reason for it and you guys chose the best one. I think it's fair Battle Beast should get an origin issue now, like you did for Atom Eve, Rex-Splode, Monster Girl (who got HOT! For a comic character xD) and Cecil Stedman. It's bugging me to see how he became this battle crazed hunter that gets his fix from carnage and blood.

I hope I didn't weird you guys out too much, I'm just the biggest Invincible/Invincible Universe fan EVER!

Thanks again for reading!
Joey "Lobo" Corral

An origin issue? He was born, and just kept beating things up. That's all there is to it, right?

Yeah, he was kind of the only superhuman on his planet... and he left after perfecting their society in search of greater conquests. It would be a pretty redundant origin issue. It's all been said here and there.

Also, if you haven't heard... at Image Expo we launched a brand new miniseries set in the Invincible Universe... TECH JACKET DIGITAL! Three issues by Joe Keatinge and Khary Randolph, available exclusively for download (like at Imagecomics.com or Comixology). You already think we're crazy, but all three issues of DIGITAL are available RIGHT NOW. All three, with no wait inbetween issues. While you're waiting for the next issue of INVINCIBLE, get with TECH JACKET.

As for next issue, well, Mark's still in the room with ALL those dead bodies...

-Sean Mackiewicz

It's going to be CRAZY! See you back here very soon.
